

We have some great healthcare providers, and I would like to thank them for their efforts, especially during the pandemic, to keep everyone safe and healthy.

As great as it is to live in our State, we have a severe shortage of physicians, and recruiting new ones has proven to be a challenge.

The 12 community health centers and teaching health centers serve over 200,000 patients alone. These medical facilities provide much-needed short-term care but also help train physicians who will plant their roots, hopefully, in underserved areas and be available for their patients long term.

Community-based programs with stable funding are sometimes the only way that people in rural areas can get the care they need.

Let's hope we can have a stronger push and use National Rural Healthcare Day to spotlight more of this issue.

#### **GALAXY FEDERAL CREDIT UNION**

(Mr. THOMPSON of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. THOMPSON of Pennsylvania. Madam Speaker, I rise today to congratulate and celebrate a local business in my district. The Galaxy Federal Credit Union in Franklin, Pennsylvania, is celebrating its 80th anniversary.

The credit union was founded in 1940 by a dozen employees of Joy Manufacturing. For four decades, the credit union operated out of the Joy Manufacturing Factory, serving employees by helping them save and establish credit.

In 1981, the credit union opened its doors to other local companies in Venango County. In 2002, it became a community credit union.

The employees of Galaxy Federal Credit Union pride themselves on a "people helping people" approach to business.

Today, Galaxy Federal Credit Union serves nearly 5,000 members, including 400 youth members.

Madam Speaker, I would like to thank Linda Lusher Antonucci, as well as the employees, members, and volunteers who serve the residents of Venango County through the credit union.

Congratulations on 80 years.

#### **GENERAL LEAVE**

Mr. MORELLE. Madam Speaker, I ask unanimous consent that all Members have 5 legislative days to revise and extend their remarks.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from New York?

There was no objection.

Mr. MORELLE. Madam Speaker, on Tuesday, the Rules Committee met and reported a rule, House Resolution 1224, providing for consideration of H.R. 8294, the National Apprenticeship Act of 2020, under a structured rule.

The rule provides 1 hour of debate equally divided and controlled by the chair and ranking member of the Committee on Education and Labor and provides one motion to recommit.

The rule self-executes a manager's amendment by Chairman SCOTT, makes in order 17 amendments, and provides en bloc authority.

Additionally, the rule provides one motion to recommit and extends recess instructions, same day and suspension authority through the remainder of the 116th Congress.

Before I begin my formal remarks, I would like to take a point of personal privilege to thank Mr. WOODALL for his friendship during my time on the Rules Committee. We don't always agree, but even in our disagreements, he is never disagreeable. I admire his wit, his passion, his love for this institution, and his love for our country.

I wish him the very best in the future and hope this is not the end of his public career. I am always delighted to spend time, not only in our lengthy Rules Committee discussions, but also on the floor with him, so I thank Mr. WOODALL so much.

Madam Speaker, the National Apprenticeship Act is critical workforce development legislation that will invest \$3.5 billion to create nearly 1 million new apprenticeship opportunities over the next 5 years.

This is an historic investment in workforce training, and I am so pleased to support this effort. Amid this challenging and catastrophic pandemic, I am grateful that this body is not only addressing the needs of the American people as they grapple with the COVID-19 virus, but also looking ahead and preparing for the challenges our Nation will face as we recover economically.

Skilled workers are the backbone of our economy, and apprenticeships provide a unique opportunity to grow and expand access to this workforce. The success of apprenticeship programs is
